Subject:- Re the grant of privilege of a non-official President to Magadi Town Municipality

---

With reference to your letter No R 3792 dated 15-11-45 on the above subject, I have the honour to state that it is reported by the President, Magadi Municipal Council that the state of affairs in the Council has not improved and that the internal dissensions and petty quarrels still exist among the members of the Council with the result that there is hardly any co-operation and harmony in the affairs of the Municipality All the same, the Amildar President feels that this does not constitute a good ground for denying the privilege and recommends that the privilege of having a non-official President may be

perhaps bring about unity among the members in due course.

2 It is unlikely that with the granting, of this privilege the local quarrels and dissensions will increase I request that sanction of Government may kindly be obtained for the grant of the privilege of electing a non-official President to this Municipality
